

New forms of human traditions (legalism they encourage) are certainly around for us to stumble over, such as:

The Supreme Roman Catholic Magisterium: This system, or beast, deceives the nations with a false method of salvation through contrived "sacraments" which they teach imparts "grace" to the common people through their "priesthood" hierarchy. The Eternal Covenant is said to be annulled or superseded, and they "celebrate" the death of Yahusha ha'Mashiach each time one of their deceived priestcraft officiates at a "mass".

Yahuah DELIGHTS in our doing what is right, mechanically or not. He is not inconsistent, and never "equivocates". We either obey, and are accused of being "legalistic", or we perish because we refused to repent.

The time will come for each of us to stand before the Throne of Yahusha. At that time, an accuser might shout out, **"This one attempted to live by every Word you Commanded, and even taught the Ten Commandments to others so they might obey them! Away with this one to the Lake of Fire! That's legalism!"** If an accuser's worst words about us are these, what expression might be found on Yahusha's wonderful face? Being **legal** is a good thing, but Jesuits have infested the thinking of millions and sown tares (bad seed).

Jeremiah / YirmeYahu 9:24: **"but let him who boasts boast of this, that he understands and knows Me, that I am Yahuah, doing kindness, right-ruling, and righteousness in the earth. For in these I delight,"** declares Yahuah."

The purpose of life is to obey Torah, and there is no room for doubt:

Ecc 12:13,14: **"Let us hear the conclusion of the entire matter: Fear Elohim and guard (keep, observe) His Commandments, for this applies to all mankind. For Elohim shall bring every work into judgment, including all that is hidden, whether good or whether evil."**

Mat 5:17-19: **"Do not think that I came to destroy the Torah or the Prophets. I did not come to destroy but to complete. For truly, I say to you, till the heaven and the Earth pass away, one jot or one tittle shall by no means pass from the Torah till all be done. Whoever, then, breaks one of the least of these commands, and teaches men so, shall be called least in the reign of the heavens; but whoever does and teaches them, he shall be called great in the reign of the heavens."**

The goal of our enemy is lawlessness. There is not a verse found in Scripture that supports the popular belief that "legalism" is an evil - it's *illegalism* that is our problem. The Jesuit maxim, "legalism", is "choking the good seed", and making tares (weeds, false teachings) acceptable. Calling good "evil" and evil "good" is **equivocation**; it turns light into darkness, and darkness into light. If you begin to study and "do" the Word (living according to the 10 Commandments), you will quickly experience the powerful mind-control the Jesuits have over everyone around you. Don't debate with them, but ask them to go find why your obedience is wrong *using Scripture*. If they use the book of Galatians to justify ignoring the Torah, explain to them that Galatians is speaking of the law of circumcision, and other "ceremonial" ordinances - not the "law" that **defines** sin for us (1 Jn. 3:4).

"Do you wish to incite trouble, to provoke revolution, to produce the total ruin of your country? Call in the Jesuits!" - Marcet de la Roche-Arnaud

THE ONE-WORD MAXIM:
LEGALISM
PROMOTES ILLEGAL CHOICES

LEGALISM: (The Random House College Dictionary, pg. 765):

"Strict adherence to law, especially to the letter rather than the spirit."

The sheep are divided over which "shepherd's voice" to follow. When we find ourselves in the world-to-come, the "denomination" we belonged to in our flesh will be irrelevant. This is because there is only one **true** denomination now, and one "way" (Natsarim**). The "way" always was, is, and will be the way of Torah*. The inspired Word does not indicate any concern with how "mechanical" our obedience is, yet that is the primary criticism of many who speak against what they call "legalism". They like to contrast *"the letter"* with *"the Spirit"*, **but the Spirit of Yahusha brings us into the bonds of His Covenant by circumcising our hearts with a love for His Torah.** That is exactly what the **Renewed Covenant** is (see Hebrews chps. 8 & 10. If we **obey**, it is the primary sign of our love for Him. If we obey, we will be blessed; if we disobey, we can only expect to be consumed. Our obedience is also evidence of our belief (see Jas. 2:24), and of our being delivered from our sins — all by the blood He shed. We cannot continue in sin (breaking the Covenant), and at the same time claim to be Yahusha's disciple. Why would we not want to obey the One we love? It is the **spirit** of our enemy that does not wish us to be legal, and so we hear this **spirit** speaking through those masquerading as messengers of light. Our enemy knows how to deceive, and if we follow the false shepherds and their false propaganda, we'll surely lose our way. Propaganda will often be believed if it is repeated often enough. When we obey a Commandment, some will proclaim that we are being "legalistic". The alternative would be to ignore the Commandments, and be illegal (disobedient), thereby rebelling against them through Jesuit "equivocation" (explained later).

Joseph Goebbels (1897-1945) was Hitler's **Minister of Enlightenment & Propaganda**, and one of the most important and influential people in Nazi Germany. He is the supposed originator of the following: **"If you repeat a lie often enough, people will believe it."**

He, like all the heads of Nazi bureaucracies, was a strict Catholic, and Jesuit-trained. Jesuit priests headed several departments, such as the **S.S.** The Jesuits' policies are based upon the strategies of Sun Tsu, from his book the **Art Of War**. They accuse their enemies of being what **they** are, concealing their own agenda. In **The Protocols of the Elders of Zion**, Jesuits accuse the Yahudim of things the Jesuits themselves are doing. They are trained to control their battlefield, because to them they are in a war to win the **whole world**. They program with "maxims", or nuggets of thought that help them control others. For example, if you obey the Torah, and you explain to someone under Jesuit influence why you do this, you will often hear them respond with **"you're being judgmental"**. **They** are the ones being judgmental, but their thinking has been altered by Jesuit **equivocation**. Similarly, when a person is accused of being "homophobic" by a homosexual, it is really the homosexual that is being "heterophobic", and this is the core reason for **their** behavior! Remember your first date? It took courage because, face it, you were scared to death. Homosexuals never overcame their fear of the opposite sex, and so they receive the reward of their cowardice from others like themselves. (Ockham's Razor works again).

Rom 16:17,18: **"Now I call upon you, brothers, watch out for those who cause divisions and stumbling, contrary to the teaching (instruction, TORAH) which you learned, and turn away from them. For such ones do not serve our Master Yahusha Messiah, but their own stomach, and by smooth words and**

Equivocation: The use of a logical fallacy, double-speak, ambiguity, to *twist meanings and ideas*.

***TORAH:** HEBREW FOR TEACHING, INSTRUCTION. IT IS USUALLY TRANSLATED AS "LAW". THE 10 COMMANDMENTS IS **THE COVENANT** BETWEEN YAHUAH & ISRAEL, THE ONE BODY (OR ASSEMBLY) INTO WHICH **ALL PEOPLE** MUST ENGRAFT. FOREIGNERS ENGRAFT BY ENTERING INTO THE SAME COVENANT, AND THUS BECOME FELLOW CITIZENS OF ISRAEL. (EPH. 2:8-13)

****NATSARIM:** This is the original term for the followers of Yahusha of Natsarim, Acts 24:5

OR "THE ORDER",

INIGO LOYOLA.

Soldier monks, the **Knights Templar**, became so rich and powerful they were **suppressed** in every country but Scotland. Their plight forced them to adapt, and by stealth, like chameleons, they evolved into a wide array of **secret societies**. Their **Scottish rites** formed the early **Masonic Order**, and in Spain they were known as the **Alumbrados**, which was suppressed by the Spanish Inquisition. Loyola was a member, and was arrested several times for interrogation.

Loyola formed a new society (**Society of Jesus**), but it was merely a new name for the **Alumbrados**. The Jesuits were themselves suppressed in 1773, and so a 28-year-old Jesuit, **Adam Weishaupt**, founded a new society under the name **Illuminati**. The same Great Plan remained that was the basis of the Knights, the Alumbrados, and the Jesuits; but the name for it had to keep changing. Ultimately, the Illuminati was also suppressed, and today the secret Society has exploded into diverse secret groups, yet all are the eyes of the Dark Lord, the Jesuit General. One of the early symbols used for their secret society is the Skull & Bones. They have controlled the Roman Catholic Church since the 1500's, when Loyola's Jesuits fought the Reformers. They are scholars, confessors, and assassins. They control the Federal Reserve System, politicians, and media.

flattering speech they deceive the hearts of the innocent."

False teachings hold people captive, and are strongholds (see 2 Co 10:3-6).

Through the Jesuits, the Dragon pursues the Woman, Israel:

THE ORDER - AN EVIL POWER STALKS THE WORLD (New World "Order")

When we "abide" in the Word (Torah, the Covenant), we will know the Truth, and cannot be shaken by lies and propaganda. We are free of the bondage of sin, because we are kept in the bonds of the Covenant. There is an enemy that hates the Covenant (a marriage between Yahuah and Israel), and hates all who obey the Commandments of Yahuah. Naturally, this enemy would sow "tares" (false teachings, maxims) among us to divert us from obeying the Truth.

There is a "**Great Plan**" being implemented by the **Society of Jesus**, and it is to **remodel the world order** anew, *under the Papacy*.

The Order (Jesuits, papal militia, founded by **Inigo de Loyola** in 1540 to fight the Reformers and defend the Papacy) uses "**maxims**" to program or brainwash their initiates:

Maxim: "noun; *A succinct formulation of a fundamental principle, general truth, or rule of conduct.*"

One popular **maxim** is from Machiavelli's book, **The Prince**: "*The end justifies the means*". "Legalism" is a **one-word maxim**, promoted by Jesuit infiltrators in Protestant seminaries. Adam Weishaupt, Hitler, Himmler, Goebbels, Franco, Stalin, and Castro all share in the teachings of Loyola's Jesuit "exercises" because they were trained in them from their youth. Himmler modeled the **Nazi S.S.** (*schutzstaffeln, or "guard squadrons"*) after the Jesuit hierarchy, *being a Jesuit priest himself*. The highest ranking officers over all departments of Nazi Germany were Jesuits. Himmler's **S.S.** wore buckles inscribed with "**Gott mit uns**", or "God is with us". Their caps had the old "**skull & bones**" (totenkopf, above left) insignia, a symbol of a **secret society** within Jesuitism. John Kerry and the Bush family are members of the CFR, as well as the Society of Skull & Bones, which is an extension of the Nazi **S.S.**

Loyola's Jesuits also formed the **Greek letter fraternities**, since Loyola realized the **literary societies** would serve as the nurseries for their organizational control. Another branch of Jesuitism is known as the **Thule Society**, or White Brotherhood, which believes certain persons come from the stock of "the ancients", or **Aryan Race**. All of these **secret societies** are different

names for the same entity: the **Society of Jesus** (the papal militia), **and their goal is to rule the world**. The **United Nations** is the current organization being promoted by these globalists, who use the **Federal Reserve systems** of every nation to steer all of civilization. They serve their "General", the Black Pope, also known as the **Jesuit General**. They seed the world with division, false salvation through the sacraments, foment wars, topple governments, and ultimately aim to bring the entire Earth under the headship of the Papacy of Rome, a **fascist government**. This is their "**Great Plan**". The false prophet is the office of the Papacy, and the Jesuit General watches over all the Earth with his infiltrators, seeing with "a thousand eyes". A great number of organizations whose names involve the terms Order, Brotherhood, Knights, Legion, Monks, Templars, Society, Zakon, Congregation, Communion, (and others, including all Masonic Orders) are directly connected to the network of the Jesuit General, and are his "eyes". Because Jesuits were outlawed in many places (as the Knights Templar before them), they've adopted new names for their secret "Society" constantly. Hence they are known by "many names" (multorum nominum). Besides the name "Company" or "Society" of Jesus, some of their recent names have also been Illuminati, Opus Dei, Legionaries of Christ, Knights of Columbus, St. Vincent de Paul "Society", Xavierian Brothers, Sinn Fein (*we ourselves, or ourselves alone*), Salesians, Salvadorians, and many others.

A Jesuit priest is trained in "**equivocation**" techniques, to protect himself from secular authorities that may trap him in his own words. Bill Clinton used this Jesuit technique from his training under his mentor, Carol Quigley (a Jesuit priest), when he made several statements concerning his behavior with Monica Lewinsky. This "equivocation" involves the concepts of **casuistry** and **probabilism**.

"If you repeat a lie often enough, people will believe it."

This maxim stems from the teachings of Loyola's *Constitutions*.

For the sake of argument, try to imagine Yahusha ha'Mashiach, or any prophet of Yahuah before (or after) Him, saying, "**I see you are very clever in obeying everything I have commanded; but I know your motives! You are mechanically performing my Commandments outwardly, but I know your hearts. Therefore I am driving you from the land of your fathers, and dispersing you among the Gentiles, until such time you realize that I am not interested in mechanical obedience, but rather the obedience that comes from your heart.**" - These would be false words, yet essentially this is what is being said to many sheep.

At Acts 20, Shaul called a meeting of all elders and said: "**For I know this, that after my departure savage wolves shall come in among you, not sparing the flock. Also from among yourselves men shall arise, speaking distorted teachings, to draw away the taught ones after themselves.**" Best description of Jesuitism: SAVAGE WOLVES.

With over 1 Billion Followers, His Holiness **Pope Benedict XVI**, offers salvation by "grace" dispensed through 7 "**sacraments**" via a human appointed/ordained "priesthood".

"Apostolic Succession" is their claim to authority, yet **Kepha (Peter)** was the apostle to the **Yahudim**, the targeted enemy of the RCC for its entire existence. (see Galatians 2:7,8). Why would Peter's "successors" seek to annihilate the Yahudim?
